

## CORPORATE BOARDS MEMBERSHIP

£15,000  
ANNUALLY

Impact Boards Emerging Markets has designed a Corporate Boards membership package, for management and supervisory boards (where applicable), to help high-value boards improve their effectiveness, impact and influence through training, knowledge transfer and networking services with the support of our specialist consulting Partners.

### AT A GLANCE: MEMBERSHIP BENEFITS\*

|  |   |   |  |  |  |   |
|--|---|---|--|--|--|---|
| Introduction to Best Practices on Corporate Governance training module | 3 hours of training modules on board governance topics to upskill board directors | Chairs' Circle membership for the board chair | Directors' Circle membership for up to 7 board directors | Aspiring Directors membership for 3 C-suite executives | Access to our global investor network to support fundraising | Leverage on our network and board recruitment specialist partner for board searches |
|--|---|---|--|--|--|---|

In addition to a module **Introduction to Best Practices in Corporate Governance** delivered by Impact Boards Emerging Markets, the package includes a 3-hour training package delivered by our selected Partners. Please select from the following standard modules, which are in blocks of 1-hour each.

#### CORPORATE GOVERNANCE

- Board effectiveness
- Management of tensions and conflicts in the boardroom
- Board's role in organisational culture

#### STRATEGY AND RISKS: AI AND CYBERSECURITY

- Cyber-security for board directors
- AI strategy and readiness assessment
- AI training and board education
- Exclusive board AI advisory session
- AI governance, policy creation and risk

#### SUSTAINABILITY AND CLIMATE GOVERNANCE

- From compliance to stewardship: Elevating ESG governance at the board level

#### REMUNERATION AND NOMINATION

- Succession planning best practices for board chairs and CEOs
- Strategic recruitment: Finding the board talent your organisation needs
- In parallel NED appointments

Training modules typically include a 45-minute presentation by the trainer, followed by a 15-minute Q&A. Trainings are delivered online although in-person trainings can be arranged, subject to additional fees. Trainings can be adjusted for different time zones, subject to additional fees. Please do get in touch with us if you are interested in a training module not listed above. We collaborate with several consultants with expertise on board governance practices and may be able to expand our offer based on your boards' requirements.

## GOVERNANCE TRAINING FOR BOARDS

### INTRODUCTION TO BEST PRACTICES IN CORPORATE GOVERNANCE

Strong corporate governance is the foundation of trust, performance and sustainable growth. For companies that aspire to be industry leaders and attract both local and international investors, it ensures that decisions are made responsibly, transparently and in the best interest of all stakeholders.

- **WHY GOOD AND FAIR CORPORATE GOVERNANCE MATTERS:**

How effective governance drives prosperity, resilience and investor trust.

- **THE SUPERVISORY BOARD'S ROLE:**

Understanding the board's responsibilities, accountability and contribution to strategic direction.

- **DESIGNING EFFECTIVE BOARD STRUCTURES:**

Achieving the right balance of independence, diversity and expertise.

- **BUILDING HIGH-PERFORMING COMMITTEES:**

Ensuring real oversight, accountability and strategic alignment.

- **RUNNING EFFECTIVE BOARD MEETINGS:**

Turning agendas into informed and timely decisions.

- **EVALUATING BOARD PERFORMANCE:**

Tools and approaches to assess effectiveness and drive continuous improvement.

### MEET THE TRAINERS

**Gregorio Saichin**

Co-founder, CEO

**Olga Pascault**

Co-founder, Chair

Gregorio is a veteran emerging markets investor with a career spanning more than thirty years in banking, capital markets and asset management.

He has developed and led two emerging markets franchises at **Pioneer Investments** (now part of **Amundi AM**) and **Allianz Global Investors** between 2000-2018. Since mid-2018, his interest has focused on sustainable finance and the path of emerging markets countries in this new development paradigm, advising family offices and institutional investors.

Olga is an experienced Non-Executive Director, Trustee and Chair. Until recently she has been on the boards of such organisations as **AsakaBank Uzbekistan** and **SPB Stock Exchange**. She is a Board Member at **NESsT**, a charitable organisation that supports high-impact social enterprises in developing countries.

Throughout her 20+ year executive career in FTSE 100 and EURONEXT 100 banks and investment companies, Olga has managed global teams focusing on financial analysis, investment strategy and ESG across global emerging markets.

## BOARD EXCELLENCE

**Board Excellence** is a leading global board and governance practice, supporting boards and directors across developed and developing markets excel in effectiveness, governance and performance. Through evaluating, training and supporting boards and directors, Board Excellence has developed a strong set of practical best practices to help drive sustained improvement in effectiveness and value add.

The Board Excellence team consists of highly experienced board and governance experts combining experience as practicing board chairs and non-executive directors with a strong track record in board/governance evaluations, training, consultancy, board recruitment and board dispute mediation.

Board Excellence will be providing training modules on a range of board effectiveness and governance themes. They can also offer CPD certified courses to **Corporate Board** subscribers at a discounted fee.

**Kieran Moynihan**  
Managing Partner  
Board Excellence

As the founder of Board Excellence, **Kieran Moynihan** has worked extensively with Boards across Ireland, UK and internationally in a wide range of sectors and scale of organisations. He has over 25 years' experience serving on boards as a CEO, Executive Director, Non-Executive Director and Board Chair. He is currently the Board Chair of several internationally focused companies across various industry sectors.

Kieran is an internationally recognised thought leader in board dynamics, effectiveness, performance and corporate governance. He is a regular contributor to leading international board publications and has developed ground-breaking new approaches to optimising the "people equation of the board" and the partnership between executive and non-executive board members, enabling the board and executive team to excel as a high-performing team.

**AS PART OF THE 3-HOUR CORPORATE BOARDS TRAINING PACKAGE FOR DIRECTORS, MEMBERS CAN SELECT FROM THE FOLLOWING MODULES**

### BOARD EFFECTIVENESS

- Characteristics of high-performing boards
- Key best practices in the board combining excellence in oversight, corporate governance, and risk management with providing high-value support, guidance and strategic added-value to the executive team
- The engagement-partnership model at the core of high-performing board and executive team
- Proven practices in executive team reporting, strategy collaboration, board dynamics and decision-making

### MANAGEMENT OF TENSIONS & CONFLICTS IN THE BOARDROOM

- Critical importance of optimising healthy tensions in the boardroom to enable excellent board dynamics, effectiveness and decision-making
- Common problems and challenges which result in tensions escalating to damaging conflict in the boardroom
- Proven techniques to help the board and executive team develop a virtuous cycle of challenge, debate, respect and trust which in turn enables healthy dynamics which optimises the effectiveness and performance of the board
- Managing the "Trust Equation of the Board" and the ability of the board and executive team to navigate the "Zone of Uncomfortable Debate"

### FROM COMPLIANCE TO STEWARDSHIP: ELEVATING ESG GOVERNANCE AT THE BOARD LEVEL

- Establish clear board responsibility for ESG: Define ESG oversight roles at board and committee levels, ensure accountability and confirm alignment with evolving regulatory standards
- Strengthen ESG risk governance and integration: Ensure ESG risk identification, establish internal controls, monitor risk concentration and inter-dependencies and maintain escalation pathways
- Align strategy with climate and sustainability goals: Guide management to embed goals directly into long-term strategy and capital allocation and innovation pipelines

## MEET OUR PARTNERS

- Ensure high-quality, reliable ESG reporting: Define board expectations for ESG disclosures, oversee adoption of recognised reporting frameworks and align reporting with purpose and strategic priorities to avoid greenwashing
- Monitor global ESG trends and geopolitical shifts: Anticipate strategic impacts, exposure to evolving regulatory and stakeholder expectations and adjust risk oversight

### SUCCESSION PLANNING BEST PRACTICES FOR BOARD CHAIRS AND CEOS

- Importance of board chair succession planning, common challenges, optimising the balance of internal and external chair candidates
- Key best practices in succession planning for the board chair role
- Importance of CEO succession planning, common challenges, approach of existing CEO to the process, optimising the balance of internal and external CEO candidates
- Key best practices in succession planning for the CEO role

### CYBER-SECURITY FOR BOARD DIRECTORS

- Key trends in cyber-security
- Avoiding board and director complacency of seeing cyber-security as a silo IT risk rather than an enterprise-wide risk
- The board and audit/risk committee's role in oversight of cyber-security
- Engagement model between the board, audit/risk committee and executive team to ensure that the business has adequate cyber resilience to prevent, detect and respond to cyber attacks
- Developing an agile and adaptive approach to cyber-security posture

### BOARD'S ROLE IN ORGANISATIONAL CULTURE

- Key international trends on the board's role in enabling a progressive organisational culture
- Common challenges for boards and directors in the culture area
- Partnership model between the board and executive team in jointly designing an exceptional culture where outstanding treatment of employees and customers becomes a key differentiator
- Practical approaches to the board's oversight role in ensuring that the desired culture is being lived and experienced day to day
- The critical importance of the board's role in aligning, culture, ethics, strategy and leadership behaviours

## WSI DIGITAL CONSULTING

WSI Digital Consulting is one of the largest global digital marketing agencies, assisting businesses to better understand the power of digitalisation to drive strategic outcomes in their business models. WSI has worked with over 100,000 clients worldwide through 1,000 franchises in 82 countries since 1995.

In addition to its different digitalisation practices, WSI has also developed an Artificial Intelligence (AI) strategy practice that pursues a holistic implementation to ensure effective integration. This often demands a review of the entity's business ecosystem in addition to the AI technology.

WSI will be offering training modules on the value of AI to our **Corporate Board** members. WSI can also offer a fully CPD accredited AI course at a discounted fee to subscribing boards, aimed at improving the AI competences of board directors that are responsible for AI policy and implementation.

**Hande Ocak Basev**

Managing Partner

WSI London & Istanbul

Hande Ocak Basev is the Managing Partner of WSI's London and Istanbul offices, and a member of its Global AI Leadership board where she advises on the strategic use of AI in business. She is a seasoned expert in AI-driven business strategies, management consulting and digital transformation, with 25 years of experience. Hande has successfully managed more than 350 strategic, operational and technological

## MEET OUR PARTNERS

transformation projects and led over 50 business development initiatives. As a board member, she has provided strategic consultancy to various organisations, enabling them to achieve sustainable growth and strengthen their future trajectories.

Hande collaborates with Oxford Saïd Business School, co-developing the AI Leadership Readiness Index. She is a regular contributor to Forbes Türkiye, sharing insights on AI trends, governance and business applications. She is a contributor to various publications and platforms on AI thought leadership.

**AS PART OF THE 3-HOUR CORPORATE BOARDS TRAINING PACKAGE FOR DIRECTORS, MEMBERS CAN SELECT FROM THE FOLLOWING MODULES**

### **AI STRATEGY AND READINESS ASSESSMENT**

Structured evaluation of the company's AI maturity using the AI Readiness Index, developed through the Oxford-WSI collaboration, including:

- Assessment of AI adoption levels and peer benchmarking
- Strategic discussion on AI-driven innovation, efficiency and regulatory alignment
- Sector-specific case study on AI applications

### **AI TRAINING AND BOARD EDUCATION**

Designed to equip board members with a practical understanding of AI's role in strategic decision-making, this module includes:

- Live demonstrations of AI applications in the specific sector, for example AI-powered credit scoring, risk analytics and automated compliance checks for the financial sector
- Sector-specific AI trends, exploring global best practices
- Practical frameworks for integrating AI into governance, decision-making, and financial operations

### **EXCLUSIVE BOARD AI ADVISORY SESSION**

Dedicated interactive Q&A session tailored to the board's key concerns and operational challenges, featuring:

- Insights on optimising operational efficiency using AI-driven automation in loan approvals, asset management and regulatory reporting
- Risk mitigation strategies, including AI-powered fraud detection, cybersecurity and anti-money laundering (AML) applications
- Next steps and AI adoption roadmap, providing actionable guidance for the company's AI transformation journey

### **AI GOVERNANCE, POLICY CREATION AND RISK MITIGATION**

Ensuring responsible AI adoption through well-defined governance structures and compliance frameworks, covering:

- Best practices for AI policy creation, aligned with evolving regulatory requirements
- Bias mitigation and ethical AI, addressing fairness in lending decisions and algorithmic transparency
- Risk and compliance strategies, including AI oversight and regulatory audits

## **NED CAREER SERVICES**

NED Career Services is an advisory service provided by Walgrave Ltd, a recruitment firm specialising in non-executive appointments. NED Career Services was founded by Mike Clancy in 2009. Mike launched the company in 2018 in response to requests from aspiring non-executive directors for direct assistance to make an effective transition to the non-executive phase of their career. The business has worked with over 75 individuals who have embarked on this career journey.

NED Career Services will be offering training modules on managing the transition to a NED portfolio career from a senior executive role and chair succession planning.

**Mike Clancy**  
Director  
Walgrave LTD

**N<sup>e</sup>D** Career Services

**Mike Clancy** is a member of the Financial Times Board Director Programme faculty and presents one of the leading workshops in the FT's programme for aspiring NEDs. He is an Ambassador for Nurole and WB Directors, both leading online communities in the UK board director space.

**AS PART OF THE 3-HOUR CORPORATE BOARDS TRAINING PACKAGE FOR DIRECTORS, MEMBERS CAN SELECT FROM THE FOLLOWING MODULES**

### **STRATEGIC RECRUITMENT: FINDING THE BOARD TALENT YOUR ORGANISATION NEEDS**

- Training and development plans play a significant role in retention of senior executives
- Do you maximise strategies to train and develop your senior executives?
- One underutilised option is to allow senior executives to undertake an external, independent NED role
- The training module helps a board discuss the merits of such a policy and how to implement it
- There is mutual benefit if executed in the right way

### **IN PARALLEL NED APPOINTMENTS**

- Organisations work hard to continually train and develop their senior executives to not only increase their contribution to the business, but to also retain them
- For senior executives at management levels of board minus 1 or 2, one such development plan is for the board to allow their senior executives to undertake an external independent NED role
- The training module helps a board discuss the merits of such a policy and how to undertake it to the mutual benefit of both their own organisation and their senior executives

---

Please do get in touch with us if you are interested in a training module not listed above. We collaborate with several consultants with expertise on board governance practices and may be able to expand our offer based on your boards' requirements.
